SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Labor Organization and Auxiliary Reports information collection. The Labor-Management Reporting and Disclosure Act requires a union to file an annual financial report and a copy of the union's constitution and bylaws with the DOL. Under certain circumstances, reports are required of a union officer and employee, employer, labor relations consultant, and surety company. Any such report is available for public disclosure. A filer is required to retain supporting records for five years; a union is also required to retain election records for one year. This information collection has been classified as a revision, because the OLMS is changing the instructions to the Form LM-3 and LM-4 Labor Organization Annual Reports, in order to mandate electronic filing, as well as amend the hardship exemption process for Form LM-2 filers. If approved, the

changes for the Forms LM-2, LM-3, and LM-4 will apply to fiscal years beginning on or after January 1, 2017.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1245-0003. The current approval is scheduled to expire on March 31, 2019; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on May 20, 2016 (80 FR 42842).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1245-0003. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
